

State Championship meet starts Wekiva is now 3-5 after win over Lake Howell Silverhawks for Apopka bowling team

By Neal Fisher Apopka Chief Staff

The sting felt from suffering through a long season is not quite as intense this week for the Wekiva Mustangs. Third place in the final District 6A-4 standings was earned by means of a 14-7 victory over the Lake Howell Silver Hawks. With a 3-5 overall record as well, Wekiva still has an opportunity to finish the 2024 season at .500.

Isaiah McNish was called upon to rush only

once during the contest Howell end zone.

played on Friday, October McNish bulled into the 25 at Mustang Field. Howend zone behind the right ever, the lone rush was the side of the offensive line most important as McNish five plays and 1:10 later scored the winning points on the clock. The ball was snapped directly to Mcon a two-yard gain with Nish.

> An improvised lateral from quarterback Jackson Keillor to Lawrence Pipken moved the ball from the Silver Hawks' 30-yard line to the 13. Keillor avoided at the last second what would have been a 10-yard loss and devastating sack with the lateral to the right. The lateral was followed by an 11-yard pass completion to Pipken on the next play.

Turns were taken by both teams scoring and developing long, sustained drives to set up the 7-7 tie but could not break for most of the contest.

Wekiva's first possession ending with a touchdown covered 75 yards, eight plays and 2:43. A seven-yard Keillor to Naeem Woulard pass completed the possession with 1:36 remaining in the first quarter.

The answer came 6:24 seconds later and at the end of the subsequent Silver Hawks' possession. Deco-

Held on Tuesday, October 29, the Apopka Blue Darter bowlers returned to the double- elimination tournament component of the state championship meet

"I wish the quotes were different than after the district championship meet," Apopka coach Doug Campbell said. "Carrying higher scores from practice to competition is still lacking with the frequency."

"Nonetheless, we are still competing for a state championship. The bad taste of failing to advance last season has also been removed. There are a number of factors having a role in how a team feels when competing and the state championship meet specifically. One less factor is no longer a part of preventing disappointing frames from turning into the negative and heavy feel." State championships

for team and individual as well as both genders were contested through the 31st at Boardwalk Bowl (10749 East Colonial Drive). Two components are used to determine the state

champion, a preliminary,

10-pin (traditional format for bowling) and then a head-to-head, double-elimination tournament. The 10-pin component is made up of four games.

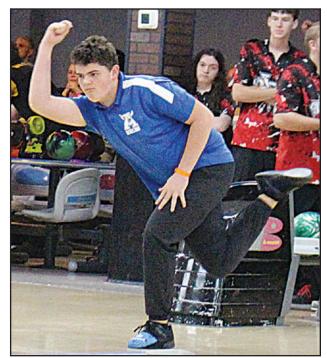

The teams scoring the 16 highest amount of pins during the 10-pin component then advance to the double-elimination tournament

Apopka's streak of reaching the double elimination component came to an end at 10 consecutive state championship meets

last season. But, earning a berth in the state championship meet reached 12 consecutive with the berth into this season's meet though.

Outcome of each match during the tournament is determined using Baker Rules and best-offive game formats. Similar to an offensive line-up in baseball, each bowler throws one frame during Baker Rules. The first

By Marshall Tempest Apopka Chief Staff

In last week's away matchup for the Apopka football team, the Blue Darters traveled to Madison County to face off against the Cowboys. After a grueling 200-mile drive, the Blue Darters arrived in Madison County ready to compete with an elite program. It was a tight game that wasn't over until the final possession, but Apopka was unable to come away with a win on their final drive falling to Madison County 13-7.

Once again, the Apopka defense was phenomenal allowing just two ouchdowns in the Cowboy's nine drives. The Blue Darters were able to force four punts from the Cowboys inside of the Madison County 30-yard line. For most of the night, the Cowboys offense was stalled and relied on one or two explosive plays to get start their campaigns. ahead of Apopka – a 23yard passing touchdown in the first quarter and a 49yard rushing touchdown in the third quarter. While the Apopka offense was unable to score more than once, they did look much better and more ers this season. efficient against Madi-

It was such a close game and one where Apopka was so close to dominating. But, because of their inability to get points when

By Marshall Tempest Apopka Chief Staff

Today, Friday, November 1, the Apopka Blue Darters will travel to Wekiva High School to face off against hometown rivals, the Mustangs, in their final game of the regular season. This is the annual matchup between Apopka and Wekiva and is sometimes referred to as the Mayor's Cup or Tater Bowl.

Last year Apopka came away with a victory in a nail-biting final-minute showdown between the Apopka defense and the Wekiva offense. A missed field goal was the only thing keeping the Mustangs from carrying the Mayor's Cup over their heads instead of the Blue Darters.

The history of this game is quite intriguing everything is up for grabs including the Mayor's Cup. trict.

Apopka is on the cusp of not making the playoffs and Wekiva is not even in the top 200 programs in the state of Florida right now. Both Apopka and Wekiva have had their problems on the field this season with the Blue Darters' main problem being the ability to score.

Apopka has scored 88 points this season so far and allowed 93. Wekiva has scored 180 points this season but has allowed 263. So where Apopka is weak Wekiva is strong, and where Wekiva is weak Apopka is strong so this will be a battle. To say it could be better than last year's game would be hard but it sure does look like we are headed for a classic looking at the num-

It's that time of year again when the football begins to cool down and the basketball begins to heat up, the same goes for Apopka. As the Blue Darter football season comes to an end, the Blue Darter basketball teams prepare to them

This week I got to talk to the Apopka men's basketball team head coach Scott Williams about the upcoming season, season hopes and expectations, and the new team dynamic with new leaders and play-

Last season the team's playoff hopes ended early in their campaign with a round-one loss in the playoffs. The boys ended the season with a 15-13 record and sat third in their dis-

A couple of months ago I did a story on the

Jude Angervil, Larson Taylor, and Jahi Bowden. According to coach Williams, these four guys will be the core of the Apopka Blue Darter basketball team with the game flowing through

One of my first questions to Williams was what are his and the team's expectations for the season. And Williams, like every other coach for an Apopka sport, expects greatness from his guys and the ability to perform at the highest level possible every night.

"The ultimate goal is always the same thing, and that is to be the best version of ourselves, to maximize who and what we are, whatever our ceiling is, and to aspire to get there and be playing our best basketball into February. And we feel

like that year in and year

make noise in late February into March.

That goal hasn't changed. In fact, that goal is enhanced. We feel like that we have some really good returning pieces in place and some new pieces to fit with what we already have and feel like that we're in an even better position than we were a year ago to make those goals happen."

Williams also told me one of the biggest things for him and his team is the way they handle adversity. He emphasized the importance of players' ability to compartmentalize and perform even after failing or falling down. Because it's not about how many times you get hit – It's about how many times you can get hit and keep moving forward.

"You know every season poses a lot of challeng-

tion (MDMA); drugs-possession of controlled substance without prescription (cocaine).

Tamar Koran Marsh, 31, general delivery, Orlando, out-of-county warrant.

Jarl Wright Renn, 54, 1902 SE Gena Rd., Port St. Lucie, drugs-possession of controlled substance without prescription (methamphetamine).

Raymond Ralph Sweeney, 59, transient, Apopka, trespassing-failure to leave property on order of owner.

Lisa Renee Tarr, 53, 4570 NW 10th Way, Fort Lauderdale, drug equipment-possession and/or use; drugs-possession of controlled substance without prescription (methamphetamine).

Angela Joyce Toney, 54, confidential, Apopka, battery-touch or strike.

Jake Diego Vega, 38, confidential, Apopka, cruelty toward child-abuse child without great bodily harm.

St. Johns river is still high

Hello Folks,

I hope y'all had a great weekend, and hopefully you got a chance to do some fishin. The water on the St. Johns River is still high and that has kinda put a damper on the fishin' in the river and Lake Monroe. The high water has also affected Lake Harney and Lake Jesup. The water has receded a little on

Lake Monroe and now you can get out to the Marina. Some folks are fish-

in on the St. Johns River up around Palatka. Palatka is about 1.5 to 2 hours from here in Apopka. If you decide to go up there, the specks should be bitin', but with the hurricane going through that area the fishin' may be off just a little.

If you want to fish for specks you need some minners since they will get you a bite if there are any specks around. If you are plannin' to fish for bass, shiners will be your best bait to catch a big bass. Folks around here are fishin' the Harris Chain for bass. You will have to

bers and possibilities.

According to FHSAA as of Wednesday, October 30, Apopka is ranked 184th in the state of Florida, and Wekiva is ranked 262nd. The biggest difference between Apopka and Wekiva to take into account when they meet up will be the difference in the strength of their opponents.

According to FHSAA, Wekiva has a strength of schedule rating of 4.95 while Apopka has a rating of 8.87. This is because Apopka has been consistently going against tougher opponents than Wekiva and their opponents have much better records than Wekiva's

Apopka's average opponent rank this season has been 126.5 while Wekiva's

has been 189.125. While both teams have had their fair share of elite matchups, Apopka has had a relatively harder road to this point.

While Apopka does have an elite defense, Wekiva does not have an elite offense, they are pretty mundane and average. Saying that Apopka's offense is anything but average, it is below par, we've struggled to score on every team we have faced except West Port who is ranked 404th in the state out of 460 ranked programs.

The question will be if Apopka's defense can quell the Mustangs stampede and keep the game in reach or if the Apopka offense will rise above their mistakes this season to be able to compete with Wekiva's explosive offense.

Continued from page 1B

bowler throws the first frame, second bowler throws the second frame and so on.

Impetus for the Blue Darters erasing the disappointment of failing to advance last season was improving the level of consistency to as high as possible.

However, as during the district championship meet, "percentage of potential points we could have scored was low when compared to the final scores," Campbell said. "At least half a dozen frames during each game were left open. Converting spare opportunities percentage was poor."

"Again, every match, every season, I can not state enough, converting spares are the difference between advancing deeper into the state championship meet and elimination. Every team is going to score its share of strikes, leaving spares as the determining statistic.

SUDOKU ANSWERS: PAGE 10A

Team scores of 919, 958, 958 and 964 for a total of 3,799 pins was posted by Apopka during the 10-pin component.

Consistency first improved during the District 8 championship meet.

Then once again and during the state championship meet the consistency improved, to the level of two duplicate scores and

ly advance. Only one team per match advances from round to round during the tournament though." The Blue Darters

earned the number-13 seed as the consistency translated to the sum of the parts was greater than the whole disposition. Only 58 pins separated four of the bowlers total score. Angelo Mullica turned in Apopka's highest individual score of 809, followed by John Cruz-776, Logan Licovali-768, Bradyn Sowers-751 and Kolton Evans-695. Average scores were 950 pins

said. "Then how teams get to the double-elimination tournament doesn't matter. What happened at the district championship meet or the 10-pin component doesn't carry to the tournament. Also advancing to the

double-elimination tournament component was #1 seeded Palm Bay Heritage Panthers (4,257 pins), #2 Edgewater Red Wolves (4,082), #3 Leesburg Yellow Jackets (4,038), #5 Clermont East Ridge Knights (3,996), #6 Cape Coral Mariner Tritons (3,988), #7 of the streak though. Endurance and understanding the need for developing endurance because of experience is as much a part of advancing through the state championship meet as physical power, talent or skill."

Colby Todd and Cayden Bennett complete the Mens' roster.

Only the 10-pin component for the Men's competition was held on October 29 and before press time (morning of Wednesday, October 30).

The Apopka Chief, November 1, 2024, Page 3B Fall ball starts for Wekiva with a home game against Apopka

In the two photos above, Wekiva's Jabari Smith pushes off of two incoming Lake Howell defenders and spins away for more yards during the Wekiva Mustangs' 14-7 win on Friday, October 25.

Apopka falls in final home game of regular season

The Apopka bowling team competed in the double elimination component of the FHSAA State Championship meet. The State Championships for team and individual as well as both genders were contested through Thursday, October 31 st.

Cowboys: Missed opurtunities on offense gives Cowboys the win

Continued from page 1B

son County than it has in a while. Apopka has had more offensive yards than their opponent in just three games this year: 255-128 against Ocoee, 417- (-5) against West Port, and 218-167 against Madison County. Tragically, Apopka won the two other games they outperformed their counterparts on offense, but was unable to secure the victory against the Cowboys.

Speaking of the Apopka offense, our passing game looked much better, almost cracking 100 yards against Madison County. Apopka's quarterback Tyson Davison threw for 75 yards on a 27.8 completion rate with an average of 4.2 yards per pass. On the rushing side, Apopka looked average collecting 144 rushing yards and averaging 3.3 yards a rush. Apopka also more than doubled Madison Countril

doubled Madison County's first downs with 16 to their seven.

Everything by the numbers says Apopka should have won this game. The Blue Darters even had a better thirdand fourth-down conversion rate than the Cowboys but were unable to convert that into points. One of Apopka's problems on offense was its penalties. The Apopka offense collected seven penalties for a total of 40 yards.

When talking about the game, it started with a truly crazy drive from Madison County. The Cowboys started the game with the ball and in ten plays found themselves on Apopka's 29-yard line facing a third and 10. After the Apopka defense did a great job to stop the third down conversion with a sack on the Cowboy's quarterback, Madison County still had something up their sleeve.

Now facing a fourth and 16 from the Apopka 35-yard line, Madison County lined up to punt the ball. As the ball was snapped two receivers broke from the line and ran fade routes. The Madison County quarterback hit a tall receiver on the left side for a first down completion as the Darter defense is shocked.

The Cowboys had another chance to score in an even better field position. But that play would surmount to nothing after the Blue Darter defense performed a brilliant stand and forced the Cowboys to go for it on fourth down to no avail giving Apopka the ball on their own 19-yard line. Sadly Apopka didn't get more than 10 yards on their drive and punted right back to the Cowboys.

The Cowboys' second drive ended in their first touchdown of the night. After a great punt from Apopka's Michael Wells, the Cowboys started their drive on their 35yard line. In seven plays, Madison County was in the endzone. A 23-yard passing touchdown capped the drive after a 20-yard run

got the Cowboys on Apopka's side of the field. After the Cowboys secured the extra point, they were up 7-0 with a few minutes to go in the first quarter.

The rest of the first half was quiet as the Apopka offense started to build momentum and the Apopka defense began to figure out how to stop the Cowboys offense forcing a fumble and a punt before the end of the half.

But just before the end of the second quarter, Apopka found themselves in scoring position. With a drive starting on the 50-yard line Apopka needed points quickly as the second quarter was close to ending. Luckily Davison was able to get two great completions back-toback: a 12-yard completion for a first down and then a 36-yard completion that brought Apopka to the 2-yard line.

e After being stalled at the goal line, Apopka was able to push into the endzone on fourth and goal grabbing a touchdown and securing the extra point to tie up the game at 7-7. The Cowboys had time for one more play before the half ended and went with a run that ended in no gain.

The second half was a different game. The Blue Darters dominated but were unable to finish when on the Cowboys' side of the field. The Apopka offense made it inside the Cowboys' 40yard line four times in the second half and collected no points. The Apopka defense was able to stall and keep the Cowboys offense to just 51 yards in the second half. But all that was not enough to win the game for Apopka.

Even with just 51 cumulative yards in the second half, the Cowboys were able to score another touchdown thanks to an explosive running drive that started with a 22-yard run that brought the Cowboys from their 22-yard line to their 46yard line. Then a 49-yard touchdown-quarterback run from the Cowboys on an option play went right up the middle. Luckily for Apopka Donovan Muldrow blocked the extrapoint attempt and kept the win in reach as they trailed 13-7.

Tragically for Apopka, they were unable to get into the endzone again before the end of the game even though they outperformed the Cowboys offense. The Blue Darters fell 13-7 and sit at 3-5 on the season. This week Apopka prepares for their final game of the regular season, and what could be the final game of the season as a whole if they do not make the playoffs. Make sure to read the preview on Apopka vs. Wekiva for the Mayor's Cup this Friday, November 1.

*Note: There will be no photos of the Apopka vs. Madison County game this week as no one at The Apopka Chief attended the game in person.

Bball: Success is determined by how you respond to adversity

Continued from page 1B

es and really one of the biggest things not only in the game but in life is how you handle adversity. How do you handle not playing well? How do you handle playing when the team has injuries? How do you handle going through a bad stretch of games with bad luck on the floor? How do you handle just the grind of a three-to-four-month season on the day-to-day?

How do you handle the responsibilities of being a good practice player and good practice team, and not just a player or team that wants to show up on game day? And how we answer those questions we won't know that for a while, but at the end of the day, that, by and large, will tell you your future.

That's not super basketball specific but the real-

tively and individually, that their best versions of leadership show up every day, a little bit more vocal. For others, it should be about their competitive energy. Some of it's about how they are as great teammates and need to be encouraging.

You know that each we of the six is wired slightily differently, as all young le men are, but we hope that so there's kind of a collective as there's kind of a collective as force that pushes us to get we better every day, that we are excited to compete every day, and that we're exicited about the journey every day. Because if you bring energy to those three things, it allows for the best level of improvement throughout the season."

One of the things coach Williams and I talked about was the difference between this year's roster and last year's. Wil-

offensively, as we have been in the past, there's a ceiling that your team can get to, but you can't break through that. We feel like our ceiling is higher, not only with the returners but with the new guys filling the gaps.

And so, you know, we're, we're surrounding our core pieces with a lot of guys that can make shots. And you know, it'll all kind of sift itself out. You know, we still have a lot of work to determine where everybody will slot in a rotation, and in some cases, whether they will or will not be in the rotation. But we feel like it's a really good group of pieces that are, especially on the offensive end, a lot more dynamic than we've had, probably in about four years."

Williams said that with the new look and dynamic of the team, the Blue Darters should be playing faster than ever with the ability to get more and keep more possessions.

low us to have another 15 to 20 percent more possessions in a game this year because we feel like we're more equipped to be more effective with more possessions." When we talked about

growth and improvement from last year Williams also talked about the team's core four and how they have been improving nonstop since the loss to University last year in the first round of the FHSAA playoffs.

"I mean, kind of across the board. But I mean, I think if I were to single out a couple, it would be, it'd be Jude Angervil and Jahi Bowden. Both have worked extremely hard on their physical selves, being in better shape, being able to be more competitive, and stronger, and just becoming that much more skilled offensively. plishing in the offseason."

And then one of my final questions to coach Williams was how the four incoming seniors, and now leaders on this team, have grown or shown signs of growth in that area since the end of last season.

"You know, they're kind of our life force. We're going to go as they go, and when the four of them are engaged and energetic and at a 10, in terms of their competitiveness, and their focus, we're a very hard team to beat. You know, it's, it's new for all four of them, going from being important players to now being important leaders also. And there'll be days and times I'm sure that they'll fall short of that leadership and that we'll have to help them get to the next step, to the next level.

But they have the respect of their teammates, with their phone, with their video games.

Young people are increasingly growing up in a world where they're isolated, and that isolation causes them to not be comfortable in leadership situations.

And so hopefully our job as a staff is to empower those guys with the tools they need to do what they should do in terms of leading their team. And I'm very proud of them, and I'm excited for each of them. This is a year they've been really excited about, and I know they're ready to get going."

Coach Williams left me with this when talking about growing from last year and being a better version of themselves this season.

"I think the big takeaway was that toughness can trump a lot of failings. We were a team that had a

ity is, most seasons are determined by how well you answer the question about how you deal with adversity during the season."

Williams also talked about the departure of last year's seniors and leaders and how the torch has been passed to a very ready

group of young men. "As a group, last year's seniors weren't hugely important to us in terms of on-floor measurables. But were very, very important to us in terms of demonstrating responsibility and accountability. And so, we hope that this year's leaders, and you know, we are kind of talking about six guys, the four senior veterans who you've profiled: Jermichael, Jude, Larson, and Jahi, but also our two Junior lead guards, Trent Jean and Rafael Betancourt. Because those guys, as floor leaders, have a responsibility of leadership that's kind of foisted upon them because of the position they're in. And we hope that those six, collec-

liams said that the biggest thing that will be obvious on the floor is the level of talent and firepower Apopka now has coming off of the bench.

"You know, the thing that I've told people, kind of collectively is that the back end of our roster is much more skilled offensively than we've had in years past. Kind of across the board, if you were to list our guys in terms of skill last year, and then do the same thing this year, whether it be a returner that has substantially improved their skill set, which they have, or the newcomers, which are slotting into whatever spot they can, they are substantially more skilled than the guys they are replacing from last year. We just feel that we're going to be able to make more shots and that we're going to be able to stress defenses a lot more across the board for 32 minutes. And you know that allows your ceiling to rise.

If you are challenged

"If anything, I would hope we would see that we're playing a little bit faster. I mean, I think we tried to play fast both ways last year. We will trap more, to try to speed the game up, to get into our bench more. And when we defend well and rebound well, we want to play incredibly fast, putting pressure and stress on the defense in our early offense playing the other way.

You know, we say it all the time to our guys. 'Everybody wants to play fast until it's time to run fast.' And so everybody wants to play fast until you got a guard really hard in order to take advantage of it. And so if we do those things, I feel like that we could...I don't recall off the top of my head, how many possessions per game we were playing last season, and not that it's a specific goal, but I would hope that our improvement would al-

You know, Jahi was not a guy who was a comfortable jump shooter last year, and now he's very, very effective shooting the basketball. Jude is growing in his awareness of how to be a threat every time he touches the ball, both inside and out, he's more consistent offensively.

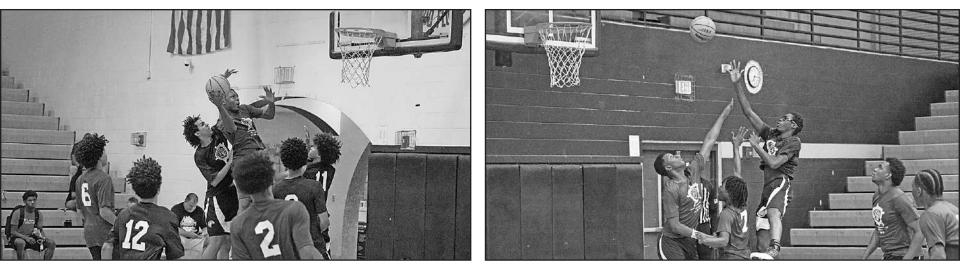

And then probably the third would be our point guard, Trent Jean. You know, Trent played a lot for us last year as a sophomore, but at times lacked a lot of confidence offensively as he was still growing and had a lot of burden and responsibility as a young sophomore playing the third would be our point guard, Trent Jean. You know, Trent played a lot a lot of confidence offensively as he was still growing and had a lot of burden and responsibility as a

shrug at the responsibility minutes at our level. He's that it brings with it. just had a tremendous summer and fall. He's a guy that makes shots and is a aware that in this day and threat. He understands the time, leadership and the position much, much betability to communicate ter now, and we're really with your teammates is hopeful in all three of those an underappreciated skill cases, along with others, and one that many of them but we're really hoping that don't develop naturally because of their lives being those guys continue into the season with what they spent so much in non-comhave worked on accommunicative ways. That is

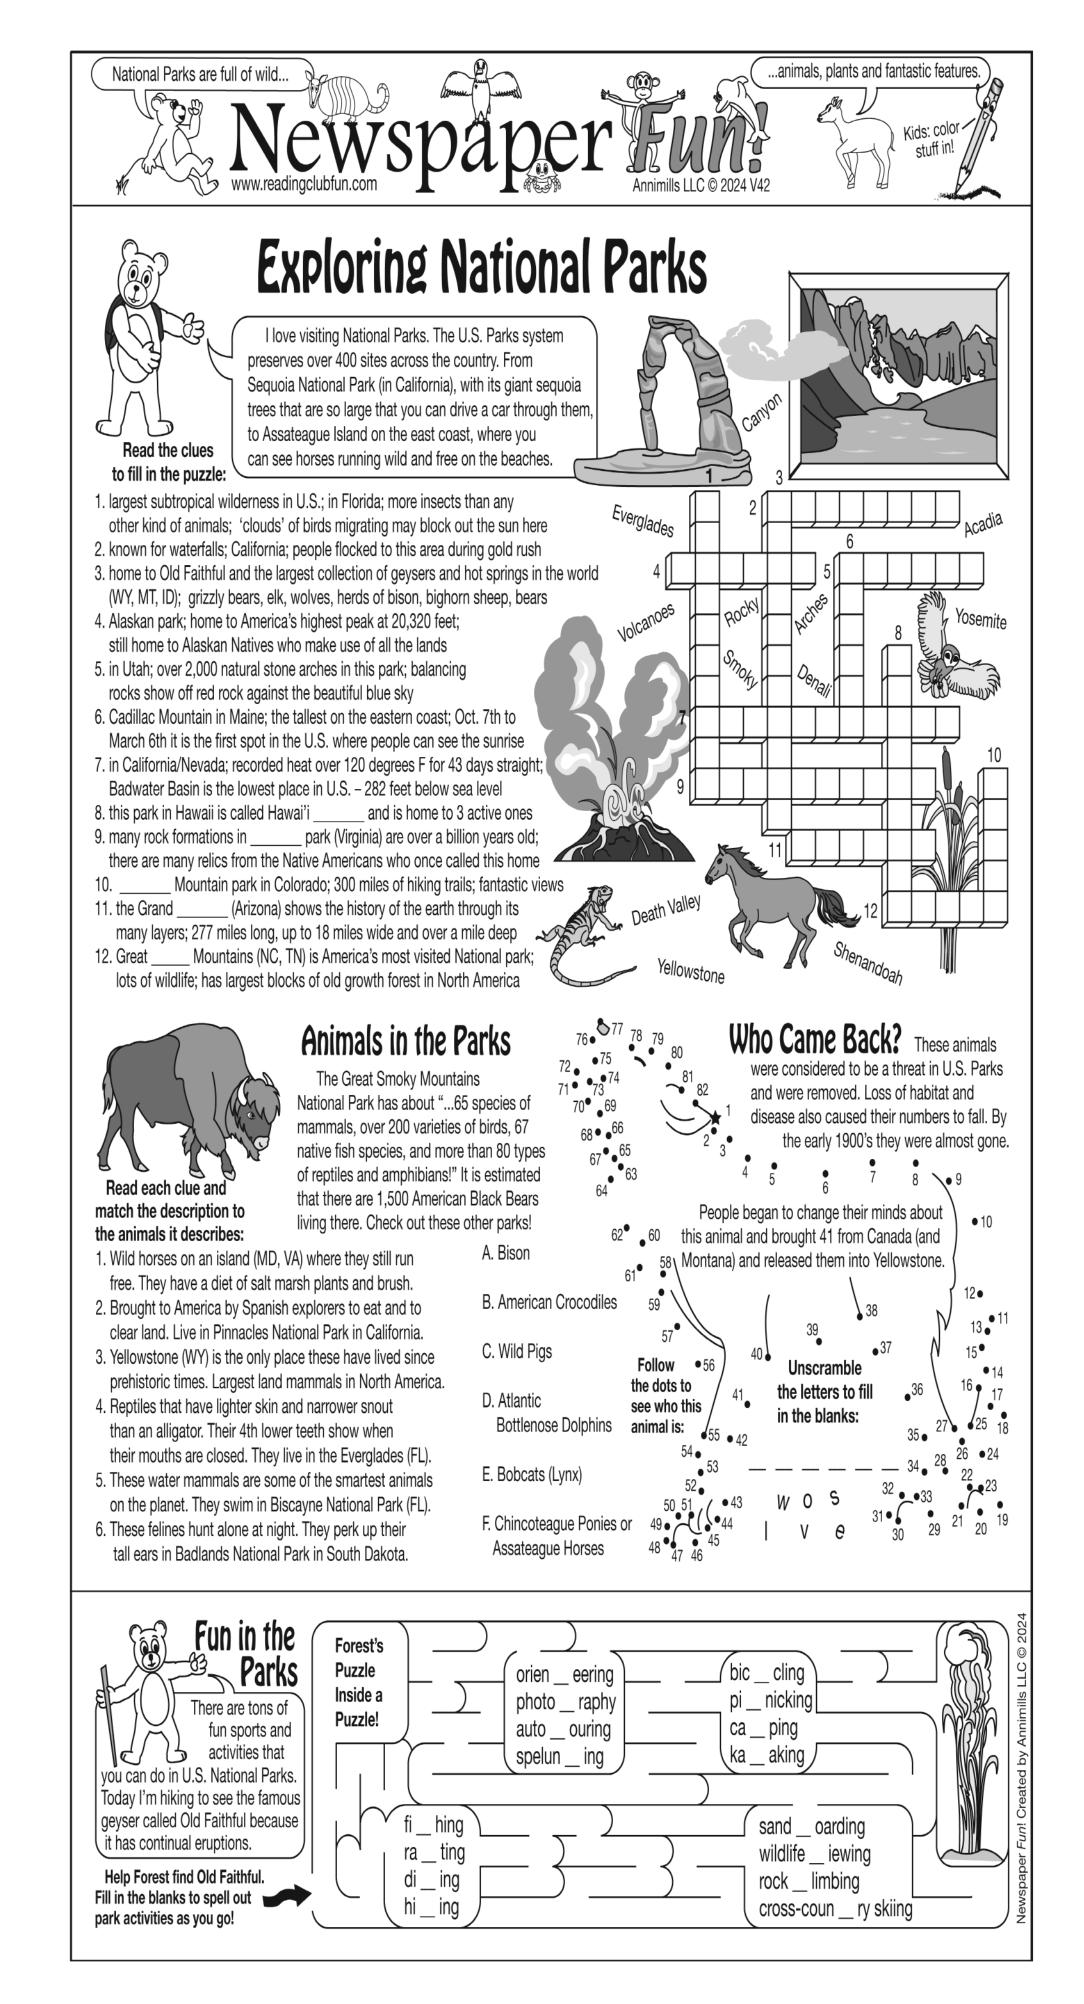

and they're also very enlot of deficiencies last year, couraging. You know, they but our toughness collecall present themselves in tively, our desire to coma slightly different way to pete together, to be really engaged for each other, their teammates, because they're all different young and to be unwilling to accept whatever deficienmen. But you know, they're the four that I will look to cies we had as an excuse when I want us to raise our for not performing at our best kept us competitive. level, or when I want us to be better in a certain area. If this year's club can take that lesson and not lose that They're the ones that I will attempt to push to find and even as we are a better basuse that leadership so that ketball team - even as we it's a more of a player-drivare better basketball playen group than a coach-driv-Coach said that is not as easy as it seems especially not for kids nowadays. A

en group than a coach-driven group." ers – then it will serve us really, really well just being more skilled. But losing our toughness and just being more talented, or losing our collective sense of willpower won't allow us to do the things we want to do. But if we take that mentality we had last year into

this year then we're in a situation where the improvements we've made will be that much more magnified. So, hopefully, we just add on to what we did last year as a group."

On the left, Apopka's Jermichael Johnson goes up and finishes a tough layup through contact during a summer league game. On the right, Apopka's Jude Angervil plays defense in the post on a taller player looking to shoot above him during a summer league game.

Mustangs: Jabari Smith secures victory with interception

Continued from page 1B

rie Johnson and the left side of the offensive line pushed the defensive line back enough to gain the last of the 80 yard possession. Eleven plays were needed to reach the end zone with exactly seven minutes before halftime.

by Jabari Smith, who inter- 47 yards per full possescepted Barhorst's final pass sion and 44 by Lake How-

attempt. The pressure created by the Wekiva defensive line forced the errant throw though.

The low score was despite both teams moving the ball at least 40 yards during the four other full possessions. Total yards were in favor of the Mustangs by a 328-261 count. Or Wekiva Victory was secured moved the ball an average

ell. Statistical difference facilitating the outcome was the Mustangs had one more full possession. Lake Howell began the last possession of the contest the furthest from the end zone as well, 95 yards.

Both teams turned the ball over twice and committed 13 penalties. Turnovers included the Mustangs in the end zone and the Silver Hawks 10 yards

Five 15-yard penalties were also commuted by both teams. Or the opponent was given a total of an unearned and extra 75 vards.

The contest also featured rushing versus passing. Johnson gained 115 yards on 19 carries. However, only 33 yards were given up by the Wekiva's

half. Keillor countered with 270 yards through the air and by completing 20 of 30 pass attempts. Six different Mustangs caught at least one pass.

Wekiva's last contests of the season are against Apopka (home) on Friday, November 1 and Jones (away) on Friday, November 8.

Lake Howell's record defense during the second slumped to 1-8 with one

contest remaining against Winter Springs.

The Mustangs also won the previous meeting by a 31-21 score during the 2013 season.

Homecoming, Senior Night and Middle School Band Night were also held during the contest.

Wekiva's Jabari Smith stiff arms one Lake Howell player while another tackles him from behind on Friday, October 25.

On Friday, October 25, The Wekiva Mustangs take a needed water break during a timeout on the sidelines.

KEEP THOSE WHEELS ROLLING...

GENERAL SERVICE: AUTO-BASICS The ABCs of basic car care include: A – Always follow a vehicle service schedule. B – Be sure to have your

car inspected when you suspect there is a problem.

C – Correct the problem to help avoid the inconvenience and potential safety hazards of breaking down away from home. By following these three basic car care tips, motorists can address minor issues before they become more complicated and more expensive repairs. **MAINTENANCE -YOUR PROTECTION**

Take back your weekends. The businesses in our service directory are here to handle all of your home improvement needs.
