Can girls basketball make another cinderalla run in the postseason?

By Marshall Tempest
Apopka Chief Staff

Last year, around this time, the Wekiva girls basketball team was 11-9. It was heading into its final four games of the regular season before the district tournament. The girls managed to go on a phenomenal run, only losing two of their next 10 games, with one of them being the 2024 FHSAA Girls Basketball State Semifinal. It’s fair to say that just because the girls’ record does not scream “championship contender,” they very well could be.

As of Wednesday, January 22, the lady Mustangs are 5-14, ranked last in 6A District 5, and 195th in the state according to MaxPreps and FHSAA. Wekiva has 4-7 at home this sea-

son, 0-3 away, and 1-4 at neutral ground games such as tournaments. The girls are currently sporting a two-game losing streak and have an almost 200-point scoring differential between them and their opponents this season, with Wekiva scoring 759 points and allowing 926 for a difference of 167 points or 8.78 points behind their opponent a game.

Last week, the girls went 0-2 in their contest against Haines City and Horizon. They fell 58-39 to Haines City and 51-44 to Horizon at home. I got to talk with Wekiva’s head coach, Jerry Middleton, after the loss to Horizon last week, and he spoke to me about the state of the team and the season.

Middleton praised his girls for their efforts in the

tough battle against Horizon but touched on why he thinks the season hasn’t gone how he and the team had expected. This included injuries to key players, available players fitting into new roles, and the need to maintain their poise in tight games.

“I think that as a unit, we still have to figure out how to master our new roles with injuries. But, with the season not going as planned right now, we have to learn how to slow the game down, just master our new roles. Like I tell our girls, ‘Everything we need we have – you’ve just got to believe.’ Not to call any other teams out, but once we click, it’s going to be hard to stop us,” said Middleton

Wekiva’s Jakyala Johnson (3) steals the ball from a Horizon player who is attacking the basket on Friday, Jan. 17.

APK boys basketball prepare for end of the season, Districts

By Marshall Tempest
Apopka Chief Staff

The Apopka boys’ basketball squad is right back to doing what they’ve done so well this season—winning. Last week, the team went 2-0 in their contests against Lake Minneola and Haines City. The team is now 15-5 on the season, 2-0 in district matchups, and ranked 43rd in the state according to MaxPreps and the FHSAA.

The boys played two games this week, and there are just two more games next week until the end of the regular season. The Blue Darters faced University on Wednesday, January 22, at home and will have traveled today Friday, January 24, to re-

TEMPEST’S
TIMEOUT
Marshall Tempest

match Windermere, who is ranked fourth in the state according to the FHSAA.

Apopka at Haines City (77-54) Win

When I spoke with Scott Williams, the head coach of the Apopka boys’ basketball team, this week, he told me that the team

would focus on pressure and disruption before the game against Haines City. That plan worked perfectly for Apopka.

This game was explosive! Apopka scored 29 points in the second quarter alone and created a lead Haines City had no chance of returning from. The game started slow, with Apopka actually trailing at the end of the first quarter, which was 15-7. But, as I said, the second quarter belonged to the Blue Darters, as they exploded for 29 points and kept Haines City to just 5. Going into the locker room, Apopka was up 36-20 when they trailed 15-7 just 8 minutes earlier.

Apopka Native Wins Gold at Florida Senior Games and Heads to Nationals

By Marshall Tempest
Apopka Chief Staff

Meet Cheryl Collier-Hagins:

Cheryl was born and raised in Apopka and has always been a go-getter. She’s and Will, have raised two daughters and are proud grandparents to three amazing little ones. Cheryl’s journey to gold at the Florida Senior Games is just the latest chapter in a life full of dedication, hard work, and positivity. She’s all about encouraging others to get active and embrace a healthier, happier lifestyle—at any age

Cheryl Collier-Hagins, a proud graduate of Apopka High School’s Class of 1986, is making headlines once again—

this time at the Florida Senior Games. Cheryl, who grew up in Apopka and now calls DeLand home, continues to shine as a hometown hero.

In 2023, Cheryl crushed it on the track, winning gold in the 50-meter run, 100-meter run, and the 4x100-meter relay. But this year she switched things up and put together a phenomenal performance in the powerlifting events. At the age of 56, Cheryl earned the gold with a 275-pound deadlift and a 160-pound bench press, as she added more precious metal to the trophy cabinet.

Now, Cheryl is setting her sights on the Senior Olympics in Des Moines, Iowa. But that’s not the

only big milestone in her life. She and her husband, Will, are celebrating 25 amazing years of marriage this summer. The two lovebirds, now enjoying their life in DeLand, say their secret to happiness is teamwork and a shared love for adventure.

“I’ve always believed that staying active and setting goals can change your life,” Cheryl said. “No matter how old you are, you can always push yourself to do more.”

Cheryl’s dedication to health, fitness, and the pursuit of excellence serves as an inspiration to the Apopka community and beyond.

Cardboard Canoe Regatta!

By Marshall Tempest
Apopka Chief Staff

The Kelly Park Rock Springs Cardboard Canoe Regatta occurred this past Saturday, January 18. Nine teams spent their mornings and afternoons building and sailing hand-made canoes out of cardboard and duct tape, hoping that they wouldn’t be in a sink-or-swim scenario in the chilly 68-degree water of Rock Springs.

Families and friends gathered at Kelly Park to help build and watch their

team’s cardboard canoes race for supremacy. During my visit, I saw families debating the construction and decoration of their canoes, focusing on winning one of three race awards: Race Winner, Crowd Favorite, and Most Spectacular Sinking.

So even if you were to sink right away... tragically, you still had a chance to go home with something more than a pair of wet clothes.

Unfortunately, I was unable to stay for the entire event. The event start-

ed with the building and construction phase at 8:30 a.m., which was scheduled to last until Noon. However, there were some delays, so the contestants didn’t get into the water until around 1 p.m. I had to depart before the contestants got into the water and before I could find out who the master cardboard sailors were. Unfortunately I also could not find any information on who the winners were for each award.

Police Beat

If a law enforcement agency charges you with a crime and this paper reports that information, please notify us within 90 days if the charge is dropped, or if you are found not guilty by the court. After verifying the information, we will be happy to publish it. Please send notification to *The Apopka Chief*, P.O. Box 880, Apopka, 32704-0880.

In the period from January 12-18, 2025, the Apopka Police Department received 1,462 calls for service, responded to 34 crashes, issued 36 citations, and made 15 arrests. No juveniles were charged.

The following adults were arrested and charged:
Thomas James Clark, 37, 638 Maya Susan Loop, Apopka, other agency warrant.

Carlos A. Cuyuche, 20, 900 Alabama Ave., Apopka, burglary of occupied dwelling unarmed.
Anthony Matthias Fenty, 18, Apopka, battery-touch or strike.
Kevin Gerard Files, 51, Covington, battery-touch or strike.
Vontressa Shanta Foreman, 44, 1038 Sheeler Hills Dr., Apopka, battery-touch or strike; drugs-possession of controlled substance without prescription,
Alexis Farias Gil, 38, 3864 Denali Dr., Apopka,

out-of-county warrant.
Christopher Raymond Headdy, 39, 604 S. Lake Pleasant Rd., Apopka, other agency warrant.
Banet E. Knight, 35, 27 E. 13th St., Apopka, robbery-no firearm or weapon; simple assault-intent threat to do violence; larceny-other theft.
Erion Cordell Lowe, 25, 512 Towne Square Way Apt 1812, Orlando, trespassing-failure to leave property on order of owner.
Andres Martinez, 29, Apopka, battery-cause

bodily harm; robbery by sudden snatching without firearm or weapon; larceny-grand theft \$750 less than \$5,000; robbery-no firearm or weapon; larceny-petit theft \$100-\$750.
Bryan Adolfo Munoz-Villanueva, 19, 449 Bertson Ct., Apopka, out-of-county warrant; contributing to delinquency of minor-cause to become delinquent dependent needy.
Gelvin Rodelbi Orozco-Mendez, 24, Apopka, battery-commit domestic battery by strangulation; kidnap-false imprisonment

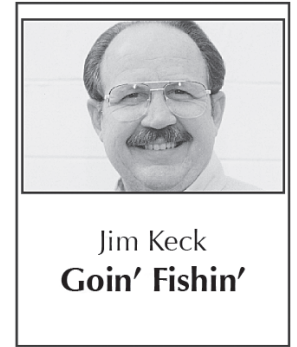

of person.
Sandra Charmaine Saffran, 61, Apopka, battery-touch or strike.
Christian Nicholas Telasco-Rodriguez, 21, Apopka, battery on person 65 years of age or older.
Anthony James Waller, 42, 722 S. Woodland St. B8, Winter Garden, drugs-possession of controlled substance without prescription (methamphetamine); other agency warrant.

BassMaster High School Tournament held this week

Hello Folks,

We are continuing to have some cold weather coming to town, and it's been cold all this weekend.

The BassMaster High School Tournament is on the Harris Chain this week. The tournament will have been held on January 22 and 23 of this week. The weather will give all the anglers a run for their money. We could see some big bags brought to the scales or if the weather continues to be bad, it could have been kinda tough. I am hoping the anglers had good luck this week, and that I will have some results for my column next week.

Jim Keck
Goin' Fishin'

Kyle at Bitter's Bait & Tackle reports that a few folks have been catchin' some specks in Lake Monroe and Lake Jesup. With this cold weather, I'm sure the speck bite is gonna be a little slow for a couple of days. Once the weather settles down for a few days, the specks should start bitin' again. If you do

get a chance to do some speck fishin', make sure you take along plenty of minners. You don't want to get on'em and run out of minners, because you will be kickin' yourself in the pants for not gettin' enough to start with.

Kyle also reports that folks have been catchin' some specks up on the St. John's River around Palatka on minners.

The bass fishin' is still doin' good down in Palm Bay, at the Headwaters. Folks are catchin' some big bass on shiners. I keep gettin' notices of lots of bass bein' caught down there, and some bass up to 10 pounds are bein' caught

durin' each trip!

The bass fishin' here has been hit or miss dependin' where you go. Kyle reports that the bass fishin' has been a little slow and if you want to catch a big bass, you need to take some shiners with you on your next trip.

We have a new moon at the end of this month, on the 29th. You all know what I believe about the moon phases. Three days before and three days after the new or full moon will improve your chances in catchin' a big bass. It's not 100 percent a sure thing, but from all my years fishin', and from all my buddies that I have been fish-

in' with for a while, they'll agree with me.

I started keepin' records of my times when I fished and caught big bass. I was inspired by the Bass Professor a/k/a Doug Hannon, since passed. I had met Doug back in the 80s at a fishin' show I was attending. If you don't know who Doug is, I would suggest you do some research on his expertise in catchin' big bass. He is known for catching and releasing over 800 largemouth bass of 10 or more pounds.

Doug was a great inventor and one of the country's big-bass authorities. He wrote hundreds of newspaper articles and

he also wrote three books. He also invented a pocket guide for anglers called The Moon Clock. This pocket guide is what got me to keepin' records of my catches while I was bass fishin'. It worked for me and if you want to gain some more knowledge about Doug's approach to bass fishin', I would suggest you seek out information on the internet about Doug Hannon, "The Bass Professor".

I'll see ya next week.
Tip of the week: New Moon
Save a few and good luck!

TTO: Apopka relied on traps and pressure to beat Haines City

Continued from page 1B

Apopka also dominated in the third quarter, scoring another impressive 25 points while holding Haines City to 20. As the fourth quarter started, Apopka led 61-40, giving Haines City no opportunities to return.

The Blue Darters finished strong, outscoring Haines City once again in the fourth quarter with a

tamer 16 points and allowing Haines City to score 14. Apopka walked away with a weekend win of 77-54, a great showing of the Blue Darters' offensive capabilities.

"Our traps created turnovers and tempo. We took advantage of the open floor, played really unselfishly, and put in a great deal of effort defensively. Doing a lot of trapping requires a great deal

of effort, and our guys did a really good job in that stretch, and things just kind of got away from them (Haines City). And, we were able to take advantage of it," said Coach Williams.

Williams also praised senior Jahi Bowden, who scored a career-high 25 points and was a huge part of the team's rapid progress. Because Apopka was so ahead, everyone got some minutes on the floor, which should help down the road when the team may need its bench to come to life.

Apopka vs. University (51-30) Win

The game against University is interesting for many reasons. First, it is vital for the playoffs, as University also belongs

to Class 7A Region 1 and is fourth in our region under Apopka, who sits second under Winter Park. It is also a sort of revenge game for many of our guys on the team this year, as University knocked them out in the first round of the 2024 FHSAA Boys State Championship Tournament.

As coach Williams told me, it's two different teams facing each other this year, but there may still be some rivalry with our guys, especially our seniors, who were all a part of the group that fell to University last year.

"Well, two different teams and two different collections of players, certainly, there is some rivalry as a program, but we really respect what University did last year and what

they're doing this year. I think they're really, really good. And so certainly, for the guys that were here last year, you would think that they know that they'll be really challenged tonight. But you know, it's about the current team and the current season for us."

This game is also crucial for regional placement in the postseason. According to the FHSAA, as of Tuesday, January 21, Winter Park is first in Class 7A Region 1, Apopka is second, Creekside is third, University is fourth, Lake Brantley is fifth, Colonial is sixth, Seminole is seventh, and Ocoee is eighth. A win or loss here could shift the regional leaderboard quite a bit.

"It's a game that has the opportunity to be huge, win or loss. We could very

easily wake up tomorrow, first in the region – we could very easily wake up tomorrow, third in the region based on the results tonight. And so, obviously, when you're as close as you are to the playoffs, it creates a little bit of extra need to play our best to succeed."

Before the game, University was 13-5, 2-2 in district play, and ranked 100th in the state according to the FHSSA. Coming into the game, University was also on a five-game win streak, so they was feeling and playing very well. After facing Apopka, University only has four more games left in its regular season, so a win for Apopka was huge.

The game had a slow

The Wekiva defense tries to stop a Horizon player from attacking the rim from the baseline on Friday, Jan. 17.

A Wekiva player forces a Horizon attacker to finish through contact in the paint during their 51-44 loss to the Hawks.

The Wekiva defense leaves a Horizon player open on the perimeter and she takes a shot.

A Wekiva player's shot is blocked by an incoming Horizon defender on the perimeter.

Apopka boys basketball beats University 51-30

The photos above are of Apopka's Jahi Bowden as he finds himself alone in transition after securing a steal and going up for a big time dunk late in the fourth quarter in their win over University on Wednesday, Jan. 22.

Apopka's Jermichael Johnson goes up and finishes at the rim while avoiding contact in the air.

On Wednesday, Jan. 22, Apopka's head coach Scott Williams talks with his players on the bench during a timeout.

AHS bowling icon Louis Folber passes away

This excerpt on Louis Wayne Folber was taken from his Obituary published in The Apopka Chief Friday, January 24.

Louis Wayne Folber, affectionately known as Lou, was born on September 23, 1951, in Queens, NY. He passed away peacefully on January 20, 2025, in Apopka, FL, surrounded by his loving

family.

Lou was a devoted husband to Stacey for 49 years and a proud father to Kelli, Joel, Janice, and Caralyn. His legacy lives on through his cherished grandchildren: Samuel, Kyle, Kyla, Noah, Julia, Nathan, Eli, and Aubrey, as well as his great-grandchildren, Leo and Frankie.

Lou was a passionate

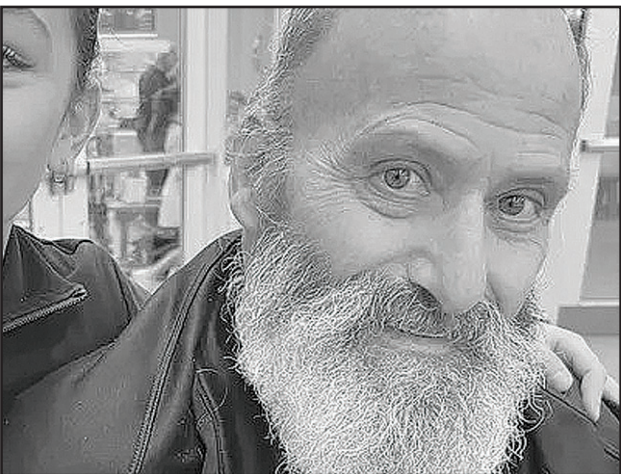

man who found joy in his favorite hobbies, including bowling, coaching soccer, and playing Song Pop.

He was a devoted supporter of the Maitland Soccer Club, where he shared his love of the game with countless young athletes.

His love for music, particularly The Beatles, brought a soundtrack to his life, and he enjoyed watch-

ing shows like Chicago PD, Flre, Med, and NCIS.

Demitri Vergos, the Father of PBA bowler and former AHS State Bowling Champion Pete Vergos said that Folber had a significant role in the success of the Apopka High School Bowling team.

Pictured above is Louis Folber, the photo was taken in 2023.

TTO: APK Dominates the fourth to secure win against University

Continued from page 2B

start, with the first quarter being a low-scoring one that ended with Apopka and University tied at 10.

The first quarter started in University's favor as they jumped ahead 7-2 in the first three minutes of the quarter, but Apopka pushed back to hold them to just one more bucket so they could catch up.

In the second quarter, Apopka's defense began to find its footing, and the plan of trapping with pressure and double teams started to bear fruit. Apopka held University to just seven points and scored

10 in the second, creating a minor lead before heading into the locker room up 20-17.

The second half belonged to the Blue Darters, who came out after half-time to finish the job. The third quarter started slowly, but once Apopka got rolling, they were like a snowball that kept getting more unstoppable as the game continued.

The third quarter ended with Apopka up 32-25, as they began to separate themselves from University on the scoreboard. But in the fourth quarter, Apopka blew the game out of the water.

In the fourth quarter, University was evidently tentative and second-guessing itself, as well as rushing. This was their undoing. Apopka had been using traps and double teams all game to make the University ball handlers uncomfortable. However, in the fourth quarter, the University's desperation to score points to stay in the game led them to make mistakes.

"I think because we were the aggressor, and that was something that was important to us, we finally made them so tentative that they started making mistakes," said Coach

Williams after the game.

The Blue Darters completely dominated the fourth quarter on both sides of the ball, making University's mistakes and turnovers the start of easy transition points for Apopka. The Blue Darters led 40-28 with 1:24 left in the fourth quarter and let their bench in to grab some valuable minutes against a strong team.

The game ended with Apopka securing the win 51-30, going on an insane 19-5 run in the fourth quarter to put away the game. This win could have very well pushed Apopka to the top of the region, but we

will have to wait and see when the rankings are updated.

"I'm very happy for our guys, and that win will translate for us. I think now we are the one seed in the district. And I'll be interested to see if we may be jumped Winter Park, potentially, because this win will carry.

I'm kind of interested to see if we can stay focused and energized for the next 10 days against three really good teams.

You know, it's kind of uncharted territory for us, but if we're going to do the things we want to do, it's going to be really impor-

tant. So tonight was a great first step.

Apopka at Windermere (Friday, January 24, 7 p.m.)

This game was going to be a shootout before Apopka faced them in the Metro Conference Tournament, but after the Blue Darters' 68-50 loss, Apopka will be coming into this game with a vengeance. Apopka needs competition like this right now for the good of the team as we approach the postseason.

The Blue Darters look like they are set for an ex-

WHS: Mustangs fall to Horizon Hawks in regular season rematch

Continued from page 1B

Wekiva vs. Horizon (51-44) Loss

The loss to Horizon was challenging for the Mustangs because they were in a tight battle for most of the fourth quarter. Horizon is a sort of rivalry game for the current girls team and coach Middleton, as they were one of the only teams Wekiva lost to in that ten-game stretch that led them to the FHSAA Semifinal. Wekiva beat Horizon earlier this season 50-46, so they came in for revenge.

Offensively, the girls started slow, scoring 17 points in the first half and just six in the second quarter. Going into the locker rooms at half, Wekiva was trailing 21-17 and needed to find some energy on the offensive end.

Coach Middleton told me the talk at halftime was focused on ball security. He said that is their Achilles heel and something they have been working on a lot.

In the second half, the girls got right to it and went bucket for bucket, with Horizon trying to find a way to sneak ahead of them. Unfortunately, Horizon was up to the challenge and answered every Wekiva bucket with one of their own. In the third quarter, Wekiva and Horizon both scored 12 points, which kept the Mustangs at a four-point differential, trailing 33-29.

Coach Middleton attributed the increase in their offensive production in the second half to the girls being patient and letting the game come to them.

"Just us being patient. You know, sometimes,

it can transition over the course of the game. Sometimes, it speeds up. Still, you have to understand how to process the game better and understand that it's okay not to score that fast. It's okay to run an offensive set, you know? But we're getting there. Hopefully, that third and that fourth quarter film session can show the girls that this is the brand of basketball we can play."

The fourth quarter was a battle, with each possession feeling like it could be the one that changed the game. However, a few mistakes and lapses in focus gave Horizon the chance to keep the lead and increase it as they outscored Wekiva 18-15 in the fourth quarter to seal away the win 51-44.

"Some good came from the game, especially that nice run we had in the third and fourth quar-

ters, but we have work to do. The goal is to continue to chop wood and to find a way to perform the way we know we can when it counts going into Districts and then Regional Playoffs.

Looking Back at the Season and Ahead to the Postseason

Coach Middleton told me a little about how he feels about this season as a whole, and the one thing he focused on was how adversity builds character.

"Myself and you know my team, but as a coach, I thrive off adverse situations. You know, my approach, my coaching staff's approach to the games, to practice, never changed. You know, because the team follows the head. So, if I'm sporadic, if I'm, you know, just going through the motions because it doesn't look like we could

be a Final Four team again, then I'm doing the kids a disservice."

Middleton also said that while he is disappointed with where the team is, he still has faith in his girls and says that they should have faith in themselves.

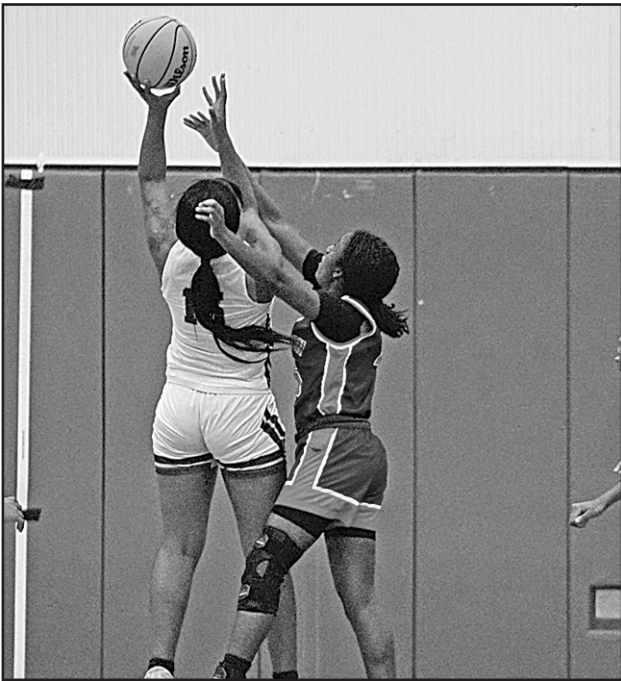

"But as I tell them, you know, 'Faith without work is dead,' so we gotta have faith that we can do it. I know for a fact that we have the individuals to do it so we can turn it around. So I'm disappointed now, but I firmly believe we'll have something to be proud of in the end."

As I said earlier, the girls were in a not-ideal situation last year, and they turned it all around. There is still a possibility that that will happen before the end of the season. Coach Middleton told me about the misconception of last year's Final Four team.

"And, you know, many people get confused about our success last year, and they think because of the final destination, the journey seems like it was all peaches and cream.

But nobody realizes that we lost seven out of eight games right before district playoffs, and we didn't play that well in district playoffs. The loss to Horizon in the district playoffs – when we lost by one or two points, we had 30 plus turnovers. Again, it was like, okay, we are tired of being in our own way, so we just got to keep approaching practice and the games with the right mindset and stay together.

And you know, I got a close group of girls like I had last year, and we'll figure it out. But again, adversity breeds character, so there won't be any quitting."

On the left, a Wekiva player goes up over a defender and finishes at the rim. In the center, A Wekiva player gets a block on a Horizon player going for a layup. On the right, A Wekiva player goes for a shot in the post over a Horizon defender. Photos taken on Friday, Jan. 17.

TTO: Apopka prepare to rematch No.4 ranked Windermere

Continued from page 4B

cellent path to the post-season with seeding, but they still need to prepare for postseason play. Apopka has played many playoff-caliber teams this year, but their dreams don't stop at just making the postseason.

The dream is a state championship. To prepare for the games they will need to endure to find themselves in that championship, adversity, like the kind they will face against Windermere, is essential for growth.

In their last matchup

with Windermere, Apopka fell 68-49 and only outscored Windermere in one of the four quarters. Windermere outscored Apopka 16-12 in the first quarter, 19-12 in the second, 18-9 in the third, and Apopka outscored Windermere 16-15 in the fourth.

"Yeah, we did a lot of things well. The things we didn't do, well, it'll be a chance for us to take a look at it and to make some adjustments, both from a player standpoint, but also from a coaching standpoint and making some adjustments to see if we can be

a little more successful," said coach Williams.

Apopka's biggest weakness in that matchup was its turnovers. Apopka gave away 24 turnovers, which Windermere converted into 27 points. The key in this game will be ball security and paint defense, as Windermere gets most of its points from these areas.

Apopka allowed 38 points in the paint in their loss to Windermere mainly because of Windermere's 6'8" power forward Terrence Drain, who is committed to playing for Liberty University, a Division 1 program.

In Apopka's loss to Windermere, Drain scored 21 points, shooting 66.7 percent from the field, collecting 16 points in the paint, eight rebounds, four assists, two deflections, one steal, and one block.

Ball security, paint defense, and controlling Drain will be key to Apopka's chances of winning this game. The problem with focusing too much on Drain or on the interior leaves the perimeter open for Windermere's other players who are still elite.

On multiple occasions, Coach Williams has told me that Windermere is one of the best offensive teams in central Florida this year because of Drain and the guys that Windermere has surrounded him with, who complement his game.

Coach Williams also talked to me about how the matchup is not great for Apopka in terms of playing styles. He reiterated something a coaching friend of his says often, "styles make, fights."

"They're very, very difficult for us, not necessarily because they're better. Their personnel and what they do makes it difficult for us to do what we do. Sometimes, as one of my coaching friends likes to say, 'styles make fights,' and they just happen to be a poor matchup for us.

Still, nonetheless, I'm excited about the opportunity to go over there and dig in and fight like heck and see if we can make it even more of a good basketball game than we did last time."

In some Chinese folk tales, a snake...

Newspaper Fun!

...in the house means good luck!

Kids: color stuff in!

The Chinese calendar has 12 animals, each standing for one year. This year is the year of the water snake. **Read about people born in the year of the snake below, then fill in the puzzle:**

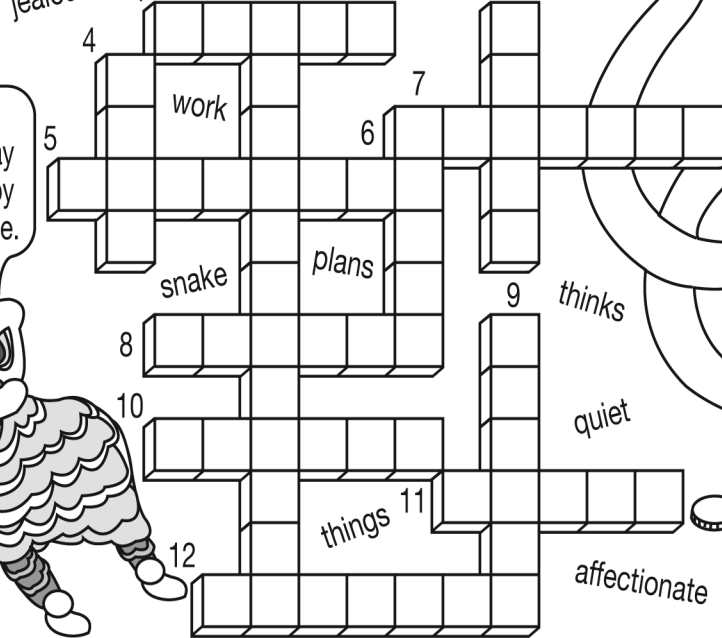

A person born in the year of the snake:

1. has a lot of knowledge, is very _____
2. is loving and warm toward family
3. doesn't like much noise, enjoys _____
4. likes to _____ hard and expects good pay
5. is _____, moves smoothly and beautifully
6. doesn't share much about himself with others
7. likes to be organized, makes _____
8. likes to have lots of nice _____
9. _____ things through, thoughtful
10. can _____ staffs at work well
11. knows from tales that a _____ in the house is good luck and the family will never be hungry
12. doesn't like other people to be successful

The Lion Dance may be done by two people.

jealous

In what year were you born?

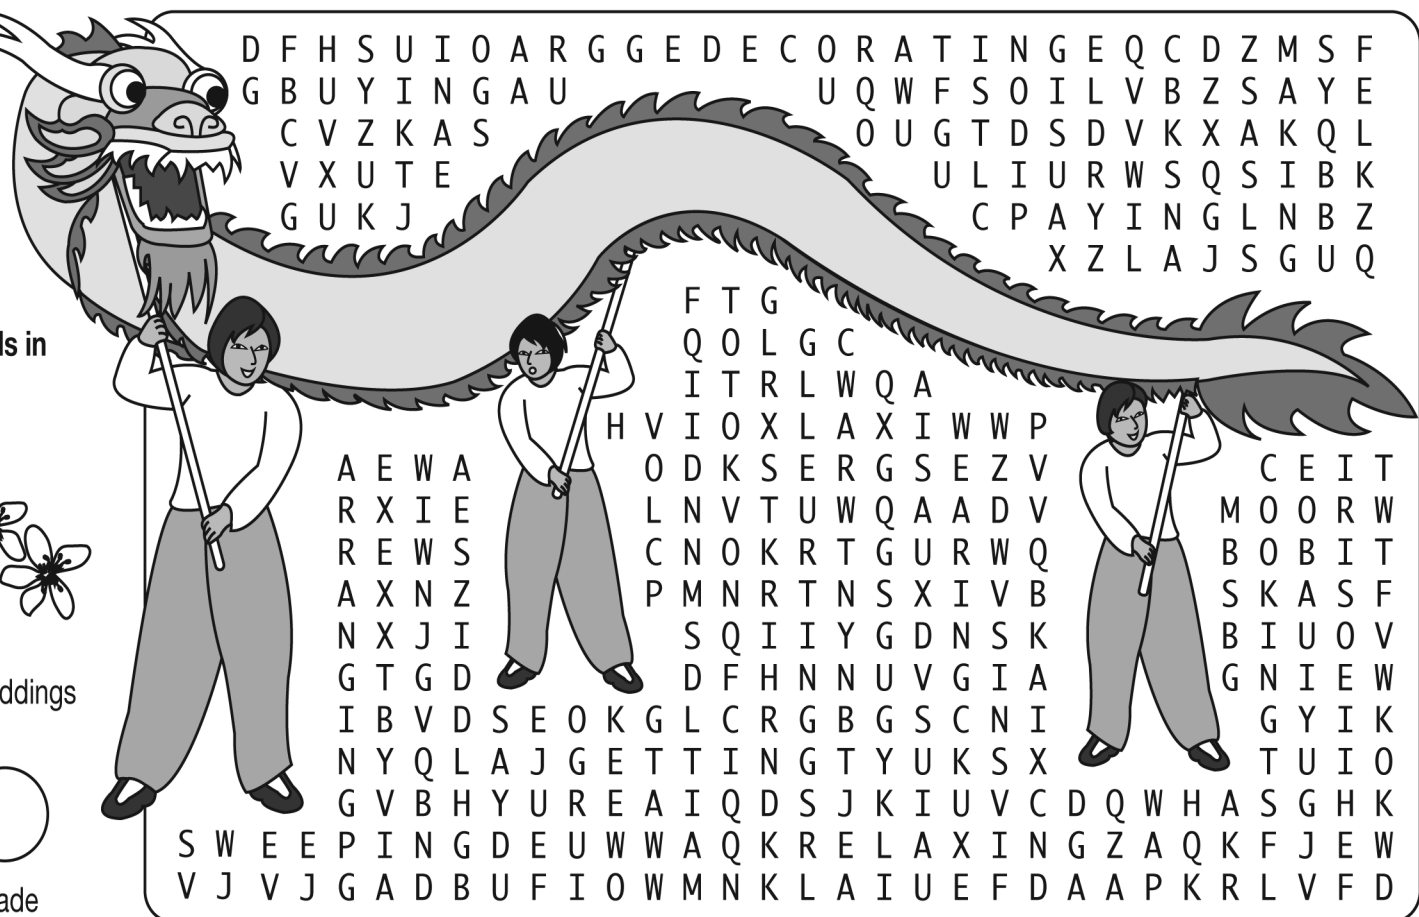

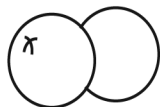

- Snake (2013, 2025)
- Horse (2014, 2026)
- Goat (2015, 2027)
- Monkey (2016, 2028)
- Rooster (2017, 2029)
- Dog (2018, 2030)
- Pig or Boar (2007, 2019)
- Rat (2008, 2020)
- Ox (2009, 2021)
- Tiger (2010, 2022)
- Rabbit (2011, 2023)
- Dragon (2012, 2024)

Spring Festival

Families have worked hard, preparing themselves and their homes for the New Year. Listed below are some of their activities during the 15-day celebration.

Can you find and circle the words in bold in the puzzle?

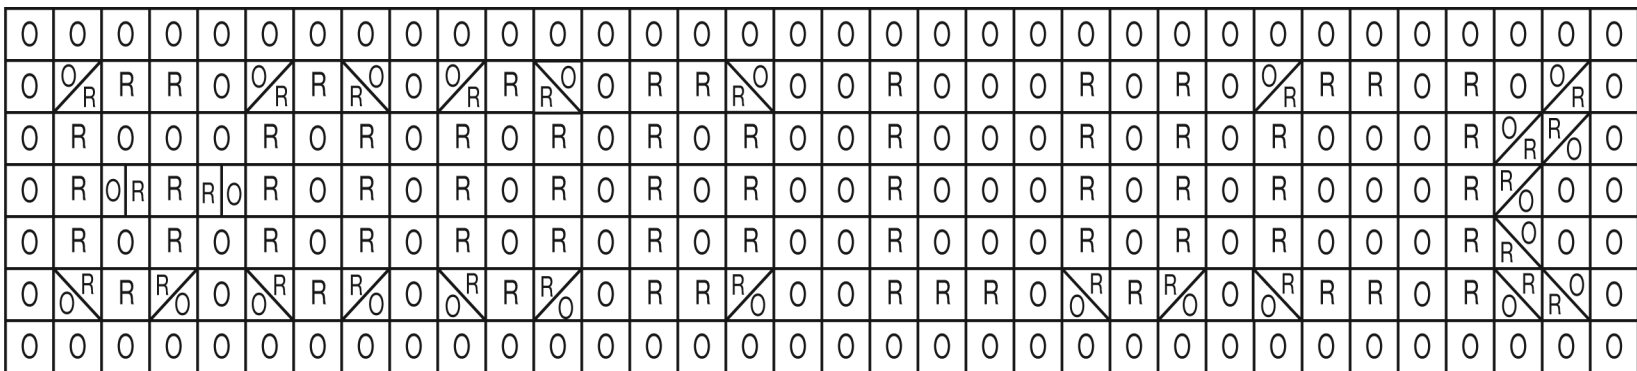

- **sweeping** away the old, the dust
- **getting** a new haircut
- **paying** back debts
- **arranging** flower blossoms
- **buying** tangerines and oranges
- **decorating** their houses
- **cooking** long noodles and rice puddings
- **relaxing** with family and friends
- **wearing** new clothes
- **honoring** ancestors
- **making** lanterns
- **watching** dragons dance in a parade

Success and Happiness

R = Red O = Orange

It's my year to shine!

When you finish the puzzle below you will see the reason behind the "dragon's" dance in New Year's parades. You also will see the wish behind the money given in little red packets (called Hongbao or Lai See). Red is a color of joy and this generous wish. **Follow the color key to fill in the puzzle and see what everyone is wishing for...**

Apopka and Wekiva winter sports prepare for Districts

By Marshall Tempest
Apopka Chief Staff

As we approach the final week of the regular season for many of our winter sports, it is time to prepare for district tournaments for our Wekiva and Apopka teams.

Apopka

Apopka's boy's basketball team has been leading the charge and performing at an elite level this season for winter sports. Sitting at 15-5 and 43rd in the state as of Tuesday, January 21, the boys are in prime position for a deep play-off run. But before that, we have the District Tournament.

This year, Apopka is part of Class 7A Region 1 District 3. This district also includes East Ridge, Lake Brantley, Ocoee, and West Port. Currently, the Blue Darters sit at the top of the district leaderboard above East Ridge, Lake Brantley, Ocoee, and West Port, in that order.

We could end up with a first-round bye because

of the team's great play this season. The District Tournament will be held at Ocoee High School after the end of the regular season.

"The district tournament, we've said all along we want to be at our best on February 5 and February 7. Hopefully, we will have the right balance and measure of poise and aggression, and those two things are not necessarily synonymous with each other. You have to have a balance of those two things that collectively win basketball games, and the good teams at this time of year can put those two things together," said the head coach of the boys basketball team, Scott Williams.

The girls' basketball team has not had the same run as the boys' but has turned it around lately. Three of their six wins have come in their last five games. The girls have a 6-11 record and are ranked 312th in the state according to the FHSAA as of Tuesday, January 21.

The girls and boys be-

long to and have the same district for basketball, so the girls' districts are Ocoee, East Ridge, West Port, and Lake Brantley.

Ocoee is the top district leader, followed by East Ridge, West Port, Apopka, and Lake Brantley. I am unsure where the District Tournament will be held for the girls or if each tournament round will decide it.

In soccer, the boys' and girls' teams played the first game of their district tournaments. The boys entered the tournament 6-10-2 and were fourth in the district. The top three in the district got instant first-round byes, while Apopka has to face Lake Brantley in the first round. Lake Brantley entered the tournament 3-9-4. The winner of the Apopka and Lake Brantley game played Ocoee on Friday, January 24, slated for a 6:30 p.m. start.

The girls entered the tournament 8-8-1 and fourth in the district, just like the boys. Because of this, they faced a similar path.

The girls are facing Ocoee in the first round of the District Tournament, and Lake Mary, West Orange, and Lake Brantley all have first-round byes. The winner of the Apopka and Ocoee game played Lake Mary on Friday, January 24, slated for a 7:30 p.m. start.

Wekiva

Although the Mustangs' winter sports have been less than fantastic, they still have a chance for greatness as they prepare for their district tournaments. As of Tuesday, January 21, the Wekiva boys' basketball team is 9-11 and ranked 221st in the state.

Wekiva's boys' basketball team belongs to Class 6A Region 2 District 5. As of Wednesday, January 22, Wekiva is third in their district. The rest of the district looks like East River is first, Lake Minneola is second, South Lake is fourth, Edgewater is fifth, and Evans is sixth.

The problem is that Edgewater and Evans haven't played district

games all season. Edgewater won't play one at all, so I don't know how that will affect the outcome.

Evans plays Wekiva for their first and only district matchup this season on Tuesday, January 28. In the Metro Conference Tournament, Wekiva had their best game of the regular season when they beat Evans 43-42.

The path for the boys basketball team is not clear yet, as the seedings for the district tournament will not be final until the end of the regular season.

As of Tuesday, January 22, the girls basketball team is 5-14 and ranked 195th in the state, according to MaxPreps.

The girls district is different from the boys with their district consisting of South Lake, Edgewater, Lake Minneola, East River, and Evans. The girls currently sit at the bottom of the district leaderboard below South Lake, Edgewater, Lake Minneola, East River, and Evans in that order.

Like the boys, the jour-

ney in their District Tournament will not be known until the end of the season when everything is set in stone.

The boys soccer team also started their District Tournament this week. They entered the tournament 3-12-3 as the fifth seed.

After press time on Thursday, January 23, they faced South Lake in the first round. Horizon, Forest, and Lake Minneola all got first-round byes. The winner of the Wekiva and South Lake game will face Horizon on Tuesday, January 28, slated for a 6 p.m. start.

The girls team did not start their District Tournament this week and will not participate in the 6A District 4 Tournament. They finished the regular season 1-16, with their only win being a 2-1 victory over Oak Ridge, who finished the season 0-13.

Make sure to go out and support our Apopka athletes as they try to become District Champions and make a deep playoff push.

GENERAL SERVICE: AUTO-BASICS

Auto technicians say the key to keeping vehicles running well – today and down the road – is routine maintenance. Yet many drivers tend to stall when it comes to keeping up with some everyday auto-basics. A recent survey by the Car Care Council found 25% of cars had low or dirty engine oil, 13% had low or contaminated brake fluid, 18% had dirty air filters, 17% had inadequate cooling protection or low coolant levels, 16% needed new windshield wiper and 27% had low or contaminated washer fluid, 18% needed new belts. Overall, 89% of vehicles were in need of at least one service or repair. **MAINTENANCE – YOUR PROTECTION!**

D-I-WHY?

Take back your weekends. The businesses in our service directory are here to handle all of your home improvement needs.

IN THE CIRCUIT COURT OF THE NINTH JUDICIAL CIRCUIT IN AND FOR ORANGE COUNTY, FLORIDA

CASE NO. 2024-CA-005729-0

DIV NO.: 48

MARRIOTT RESORTS HOSPITALITY CORPORATION, a South Carolina Corporation, Management Agent on behalf of MVC TRUST CONDOMINIUM ASSOCIATION, INC., a Florida not for profit corporation, and All Owners as Agent,

Plaintiff,

How you can keep your pets safe from a black bear attack

Store pet feed inside a secure structure such as a shed or barn.

Avoid leaving pet food or dishes outside overnight. Tethered pets should be able to move a safe distance away from their food bowl.

Outdoor pens should have a roof or be high enough to keep wildlife out and have a skirt that extends outward, underground to prevent digging under the fence. Pens should be as far as possible from tree/shrub lines or other cover for wildlife.

Keep areas around outside pens and enclosures well mowed to reduce cover.

Before letting pets out into the yard, make noise and flash lights to startle other wildlife that could be in the yard.

Install motion detector lights around all areas of the property.

In the event of a pet treeing a bear, call your pet inside to a safe and secure area, allowing the bear time to retreat.

Black bears are most commonly attracted to neighborhoods

by unsecure garbage, pet food, and bird seed; most interactions can be reduced if residents remove and secure trash with either a shed or bear-resistant trashcan and minimize the time pet food and bird seed is outside or keep those foods secure.

Consider walking your pet on a non-retractable leash which allows better control of your pet in the event of an encounter.

Bears are most active at night and during dusk and dawn. Try walking your pet during daytime hours. If that is not possible, be careful around wooded areas.

While walking your pet, bring noise makers or bear spray. Making noise will alert wildlife to your presence and allow time for it to move away from you and your pet.

If contact occurs between your pet and wildlife do not try to physically separate your pet and the animal. Retreat to a safe place; if possible spray the animal with bear spray or a water hose and make loud noises to try to break up

the contact.

Hazing is an effective way to encourage wildlife to stay away from people. Making noise with your voice, an air or car horn, pots and pans, or a can full of pennies are recommended techniques.

Bear Spray can be used to deter a bear if you encounter one at close range (within 30ft). This highly effective product can be found online or through any outdoor product supplier

Protect your pets with an electric fencing enclosure. Check often to ensure that the fence is functioning properly.

Sturdy wooden hutches are the most reliable form of protection for outdoor small animal enclosures such as rabbits and guinea pigs. Securely attach a side of the cage to a permanent structure to prevent the hutch from falling over. Secure doors with locks, keep top covered and secured. In bear country, add an electric fence for further protection.

Would you like to have a hobby? Consider making casts of wild animal tracks

With a little trial and error casting with some common dog tracks, you can develop your skills for making good casts of wild animal tracks.

Plaster can be found at any arts and crafts store in your community. Spend some time reading the directions and figuring out measurements needed to do your castings.

Plan ahead when you go hiking or camping. Measure out some plaster into a few plastic bags and find a suitable container for measuring water and mixing your plaster when needed. Use a container that you don't plan to use for food storage or preparation. The sand-

wich or snack containers are ideal for this task. You can measure your water in a measuring cup, pour it into the container and then mark the container with a marker or tape to show the water level needed when you are ready to mix your plaster.

The other items to bring will help contain your plaster around the animal track.

Cut up a cereal box into long strips about two inches wide. Find some large paper clips. You can then paper clip the cardboard strips together into ovals or circles depending on the size of the animal track(s) you want to cast. If the ground is soft, it is

a good idea to push the cardboard circle into the ground.

Materials to bring:

1. Pre-measured bags of plaster
2. Measuring/mixing container (you can find a stick to use as a stirrer)
3. Cardboard strips and paper clips
4. Water container with water
5. Fluorescent marker tape or cloth strips to mark the track location.

Directions:

1. Locate a track that you want to cast.
2. Paperclip your cardboard pieces together to your preferred cast size--allow at least two

inches around the track. Place the cardboard circle around your animal track.

3. Measure your water to the marked line on your container.
4. Add your dry plaster powder to the water and mix thoroughly until it has a pancake batter consistency.
5. Pour your plaster into the animal track and cardboard mold.
6. Gently spread the plaster without digging into the ground below so that you don't destroy your animal track.
7. Mark the location with the florescent tape or cloth strip tied to a stick.
8. Check back in a half hour to see how the

plaster is setting. If the plaster is still soft, check back in another half hour.

9. When your plaster has hardened, remove the cardboard pieces and lift out your track.
10. Smooth the edges of your cast and avoid touching the animal track area until the plaster has dried.
11. When the cast is dry (check the directions on your plaster container), clean off any debris and use a dry paintbrush to clean off the dirt or sand.
12. On the back of your cast, use a pencil to write the location where you found the track and identify the animal* species. Include the date and

your name for future reference.

Note: Remember to pack out your mixing containers. These can be reused once the plaster has dried. Avoid cleaning these containers in sinks as the plaster will clog the drain.

*The Internet has a variety of sites that show the tracks of animal species.

FWC has information posted on its critter pages. Have fun identifying the animal tracks you find. Animal casts are good educational tools at nature centers--consider donating your casts if you want to help others learn about wildlife.
